Professional: Communication, Collaboration, Time Management, Adaptability & Problem Solving.

EDUCATION

College Of Engineering, Guindy (Anna University)

| B.E. Manufacturing Engineering | 📅 2017 - 2021 | 📍 Chennai | ◈ 8.25 CGPA |

Sri Venkateswara Matric Higher Secondary School

| HSC (State Board) | 📅 2016 - 2017 | 📍 Vandavasi | ◈ 95% |

Sri Venkateswara Matric Higher Secondary School

| SSLC (State Board) | 📅 2014 - 2015 | 📍 Vandavasi | ◈ 93.8% |

WORK EXPERIENCE

Infosys Limited (Chennai)

Associate Consultant - Java Developer   Sep 2024 - Present

- Enhancing taxpayer interactions within the GST portal by implementing intuitive user interfaces.
- Optimizing data processing workflows which results in a streamlined and efficient user experience using Java and Spring boot.
- Ensuring high-quality code through comprehensive JUnit testing and local Tomcat server deployments.
- Utilizing Jenkins for continuous integration, automating builds and tests to streamline the development process.
- Managing project progress and tracking bugs effectively using JIRA.
- Collaborated with cross-functional teams to enhance system performance and improve overall product quality.
- Using Maven to automate project builds and efficiently organising dependencies and maintaining a consistent project structure.

Tata Consultancy Services (Chennai)

System Engineer - Java Developer   Oct 2021 - Sep 2024

- Developing a customer-centric application focused on personalized offers, enhanced booking experiences, and direct ancillary service offerings by airlines.
- Designed JUnit test cases by conducting comprehensive end-to-end testing prior to the handover to the UAT team.
- Utilized SonarQube to inspect application bugs, code coverage and vulnerabilities.
- Tracked and managed bugs, issues, and overall project progress using JIRA (Project Management Tool).
- Effectively used SoapUI to perform testing of both RESTful and SOAP web services.
- To develop and manage RESTful APIs, JAX-RS API frameworks helped by enabling the functionality of the project.
